## HOSTEL MANAGEMENT COMMITTEE

Hostellers spend most of their time away from their home and it is important and critical that we provide them with a holistic and enjoyable experience during their stay in the hostel. We strive to provide best of hostel experience to its hostellers with due care, attention and a host of facilities. Hostels have been constructed separately for boys and girls in a sprawling green ambience. The hostellers also have access to the various laboratories beyond normal class hours, to enhance their knowledge and skills. Round the clock security and surveillance cameras in various locations ensure safety and security of the inmates for the academic year 2023-2024.

In order to ensure efficient and effective management of the hostels, A Hostel Management Committee, comprising senior staff, ensures efficient management. Competent wardens oversee key aspects: Discipline, Food, Events, and Maintenance. Monthly meetings with student representatives to gather feedback and ensure satisfaction. Swift corrective actions are initiated for student satisfaction.
