About College

Activities of the Promoting Body since inception: (On Academic, Social & Industrial Activities and details on other institutions run by the Promoting Body) Members are involved in academic, social and industrial activities. The President of the society is engaged in the Social activities, which include academically and financially helping the poor and / or meritorious students. Some members of the promoting body are involved in academic field and managing educational institutions. The College derives its strength and ethos from the highly qualified and dedicated faculty. The college has the unique and proud privilege of intimate association with prominent legal professionals of distinction as visiting faculty who regularly conduct lectures, workshops and discussions with students despite their hectic schedules and preoccupations.

OUR VISION

The vision of the institution is to spread the education to different strata of the society, in the rural area, deprived of it during the preceding centuries to bring the social transformation and to use the education as a major tool to inculcate scientific temperament, sense of justice, leadership qualities, social responsibilities, ethical values and to bring them to the level to participate in the nation building activities with a view to promote their individual, social and consequently the national growth.

OUR MISSION:

- To provide quality education to the students from all strata of society in general and poor and middle class families in particular.
- To impart quality education through the established academic programmes and promote scientific temper among the students,
- To create intellectually stimulating environment for students to acquire skill based knowledge and platform for creativity, innovations to progress towards excellence and to make them vibrant and conversant with current knowledge,
- To inculcate sense of discipline and responsibility towards nature and society
- To create intellectually stimulating environment for innovative ideas, creativity and to provide best educational experience to the students by promoting an environment of continuous improvement.
- To imbibe the students with science oriented ethical, moral and social values in personal and social life leading to highly cultured and civilized citizen
- To disseminate the latest knowledge and technology in farming practices by establishment of farmer's association.
- To emerge as premier higher education institute within the area by providing quality education,

OBJECTIVES OF THE INSTITUTION:

1. To provide quality education to the students in science stream
2. To develop functionally suitable and conducive environment for students and the staff for academic venture
3. To develop the institute as a place for excellence in learning
4. To inculcate moral and ethical values among the students to make them accountable citizens to the society and nation
5. To focus and implement participatory and experimental teaching-learning practice
6. To develop overall personality of students
7. To help students for career opportunities
8. To extend outreach activities for farmers and the youth of the area
9. To provide training to the farmers and the youth for entrepreneurship development and employability
10. To develop students and staff to get national acclamation
11. To carry out applied and society oriented research
